Product Specification Sheet

Targus Ultra Mini 4-Port USB Hub

Part #: PA055U

Product Description:

The Targus Ultra Mini USB 4 Port Hub allows your notebook computer to have plug and play connection to multiple input/output USB devices. The hub features a 4-port bus and self-powered stand-alone USB hub. Packaged in a small and attractive enclosure, the hub can fit any place on a desktop, allowing for easy connection of four low speed or full speed USB devices to your USB enabled computer.

Product Features and Specifications:

- This is a Targus global product
- **Portable design:** Small, lightweight and compact design allows you to take this hub anywhere you travel
- **Expand your capabilities:** Connect up to 4 USB devices like mice, memory drives and PDAs on your notebook computer simultaneously
- **Plug and play connectivity:** Easy to install: no drivers required - plugs into your notebook computer's USB slot
